#### Tuesday-Friday Drop Off:

**Drop off is going to be on a staggered schedule.**

**Please arrive at the designated time. Staggered times help to alleviate congestion near the kiosk, please help us by being quick to check your child in and out each day.**

**8:45 – 9:00am (Last Name M-Z)**

**Pick up is at 4:00pm DAILY at San Onofre State Park Kiosk Area.**

- Drop off all week will be at the kiosk area at San Onofre Surf Beach. If you want to come watch your child surf anytime during the week you are more than welcome to. BUT, please know there is a \$15 day use fee or you may use a valid California State Parks Annual Pass if you have one. This park is extremely popular and fills up when the sun is out and the surf is up. Please be prepared if there is a line to wait, one car out one car in. If you have an Annual Pass you may drop your child off or pick up your child on the beach just please send out a text to Josh (949)303-0612 to let him know.

- If you are late, you must drive your child into the surf beach which may mean waiting in line and paying the \$15 fee. We ask you to please not ask the Kiosk employee to let you in to drop off at surf camp. They will NOT allow it without you paying the \$15 day use fee.

-Campers are to **bring their own lunches this year**. Please send them with a healthy lunch and snacks as well as a filled up reusable water bottle. We will have water bottles and pre-packaged snacks if the kids run out of anything.

-Please Sunscreen your child up **BEFORE** you leave the house each morning. And remember, send sunscreen with your child for re-application in the afternoon. We will remind them at lunch to re-apply.

-If your child has their own wetsuit we do recommend sending them with it in their backpack. If not, we do provide wetsuits and boards for all campers.

-If campers have their own boards, they may bring it with them and we will keep it in the truck for the week so they have it if they want to use it all week long.
